CMN GROUP INITIATIVE

MR. CHANDRAKET SINGH

Founder & Managing Director

"As the founder of CMN Group, I am dedicated to driving positive change and contributing to the vision of a more prosperous and self-sufficient India. My commitment to this cause stems from a belief that the true strength of a nation lies in its people, and by fostering employment opportunities and sustainable growth, we can create a future where every individual has the chance to thrive.

Throughout my career, I have focused on bridging the gap between talent and opportunity, understanding that it is not just about creating jobs, but about empowering individuals with the skills, resources, and support they need to succeed. By prioritizing skill development and innovation, I strive to ensure that India's workforce is prepared for the challenges and opportunities of the future, thus contributing to the nation's economic advancement.

At CMN Group, we are committed to driving both economic growth and social progress. We aim to be a catalyst for change, creating jobs, building businesses, and nurturing local communities. Our approach goes beyond employment—by providing sustainable growth opportunities, we help individuals build fulfilling careers that have a lasting impact on their lives and on the economy.

As I continue my journey, my vision remains clear, to help India emerge as a global leader, not only in business but in creating inclusive and meaningful employment for all its citizens. Together, through dedication, innovation, and a shared sense of purpose, we can build an India that offers boundless opportunities, empowering each individual to contribute to the growth and prosperity of the nation.

The vision for CMN Group is to foster sustainable growth, empower individuals, and drive innovation, ultimately contributing to India's economic development and prosperity."

Thank You

QUICK OVERVIEW OF SERVICES

Total Security Solutions

We provide highly trained security personnel for residential, commercial, and industrial premises. Our guards are selected after rigorous background checks and are equipped to handle emergencies and ensure safety. With round-the-clock vigilance, patrol, and access control systems, we guarantee a secure environment. We also offer event security, VIP protection, and escort services. Our command center supports real-time monitoring to prevent threats proactively. Client-specific protocols are strictly maintained to uphold privacy and trust.

Facility Management Services

We provide essential non-technical services that enhance the comfort and functionality of your facility. Our offerings include front desk support, pantry staff, lift operators, office boys, and guest handling. We also manage horticulture, waste disposal, pest control, and indoor hygiene services.
All personnel are trained for courteous, efficient, and reliable service delivery. Services are customizable based on your industry needs—corporate, retail, residential, or industrial. We ensure smooth daily operations and a clean, pleasant work environment. Our goal is to help you maintain a high standard of facility experience.

Technical (Hard) Facility Services

We provide expert maintenance for essential systems like electrical, mechanical, HVAC, and plumbing. Our certified technicians ensure smooth operations through regular checks and preventive care. Services include breakdown repair, energy optimization, and emergency support.
We also maintain elevators, fire alarms, lighting, and backup power systems. All work complies with safety and regulatory standards to avoid operational risks.
Our goal is to minimize downtime and extend the life of your assets. Reliable, efficient, and customized to your facility's technical needs.

Professional Staffing Solutions

We offer trained and verified staff for roles like receptionists, pantry boys, drivers, and office assistants. Our personnel are groomed, uniformed, and skilled to match your specific operational requirements. Each candidate undergoes strict background checks and job-readiness training. We maintain a strong pool of both skilled and semi-skilled workforce. Services are designed to reduce your HR workload and enhance service quality. Reliable, compliant, and ready to support your business needs.

Surveillance & Tech Support

We provide advanced CCTV surveillance solutions for round-the-clock monitoring and security. Our services include the installation and maintenance of HD cameras, DVR/NVR systems, motion sensors, and remote-access setups.
Whether it's for residential complexes, offices, factories, or commercial spaces, our surveillance systems help deter intrusions, monitor activity, and provide evidence when needed.
We also offer centralized monitoring rooms, live alerts, and integration with access control systems—ensuring full visibility and peace of mind.and operational safety.

WHY CHOOSE US

Over 15 Years of Industry Experience

With more than a decade and a half of operational excellence, we bring unmatched expertise and deep industry knowledge to every project. Our years in the field have enabled us to build robust systems, anticipate client needs, and deliver consistently high standards of service across diverse environments.

Pan-India Operations

Our presence spans across multiple states and cities in India, enabling us to serve clients seamlessly, regardless of location. Whether it's metro cities or tier-2 and tier-3 towns, our operations are designed to offer consistent service quality across the nation.

Government-Compliant & ISO-Certified Processes

We strictly adhere to all statutory and regulatory norms mandated by the Government of India. Our processes are certified by internationally recognized ISO standards, ensuring quality, safety, and operational efficiency in every aspect of our service delivery.

Dedicated Operations & Client Servicing Team

We have a fully-equipped operations and client servicing team that works round-the-clock to ensure smooth coordination, quick response times, and complete client satisfaction. From deployment to grievance redressal, our team ensures transparency and accountability at every level.

Regular Training & Background-Verified Workforce

Every staff member goes through a rigorous background verification process to ensure safety and trustworthiness. In addition, we conduct regular training programs to keep our personnel updated on the latest industry practices, technology use, emergency response techniques, and customer handling protocols.
